Quality Basics

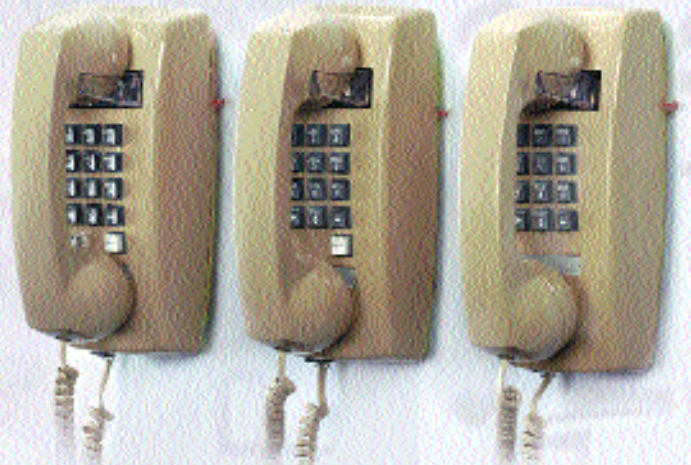

Quality is built into every CORTELCO telephone - as much a part of each product as its design and components. Crafted with pride by skilled workers using the best materials, Cortelco telephones are produced by one of the leading manufacturers of telecommunications equipment - CORTELCO.

Support Basics

Standing behind the performance of every CORTELCO 2500 and 2554 telephone is a nationwide support system and a *five-year limited warranty* against defects in materials or workmanship.
