# Product Specification Sheet
## Targus DEFCON® SCL (Serialized Cable Lock)
## Part #: PA410S-1

### Product Description:
**Also available in bulk pack (PA410S)**
**Not Available Direct- For Corporate Accounts Only**

The Targus DEFCON® SCL (Serialized Cable Lock) is a serialized lock with a pre-set combination. It is sold in multiples of 25 under model number PA410S. This Targus laptop security product finally provides a computer security solution for complete asset protection. The Targus DEFCON Serialized Cable Lock (SCL) is 6.5 feet of cut-resistant, galvanized steel cable that loops around any secure object and easily attaches to your laptop computer's lock slot. Our DEFCON SCL features a pre-set combination lock in which your IT Manager has access to all combinations via a secure password protected web site. The DEFCON SCL is the first laptop computer security product to offer the benefits and convenience of a keyless security solution.

### Product Features and Specifications:

- **Single Unit**
  **Not Available Direct- For Corporate Accounts Only**
