

Ergotron® Neo-Flex™

Wall Mount Lift

Highlights

- *Constant Force (CF™) patented lift-and-pivot motion technology produces smooth adjustment*
- *Works with a variety of Ergotron mounting systems: Wall Track, Command Post and Pole Mounts*
- *The Neo-Flex Wall Mount Lift is the most economical height and weight adjustable wall mount LCD accessory on the market*
- *Easily position your LCD for maximum comfort and productivity*
- *5" (130 mm) height range easily meets the ergonomic viewing needs of the average female to the average male*
- *Weight capacity adjusts to hold LCDs of 6–16 lbs (2.7–7.2 kg)*
- *Easily attaches to LCDs and Tablet PCs/Docking Stations that are VESA® MIS-D, 100/75, C compliant*
- *3 year warranty*

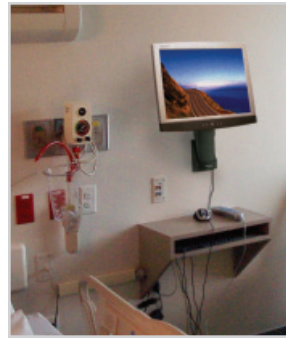

More motion. Less effort. Feel the difference.

Add greater range of movement to your LCD display or TV with the Neo-Flex Wall Mount Lift! CF™ patented lift-and-pivot motion technology adjusts with a light touch. Raise or lower your LCD 5". Pan right or left. Tilt forward or back. Even rotate 90° for portrait/landscape viewing.

- Perfect for clinics, labs, manufacturing, airports and other space constrained areas
- 5" vertical adjustment enhances ergonomics for multiple users
- Right/left pan and forward/back tilt minimizes glare and increases viewing comfort
- Works with a variety of Ergotron mounting systems

Perfect for use in the home where counter space can be at a premium.

Use in space-constrained areas of patient rooms.

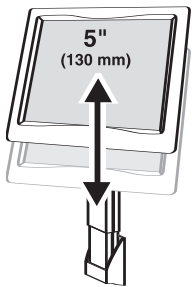

Attach your LCD to the wall lift with four screws.

Position the height and angle of an LCD or Tablet PC for maximum comfort with Constant Force (CF™) patented lift-and-pivot motion technology.

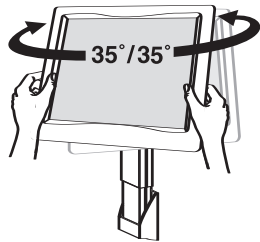

Range of Motion

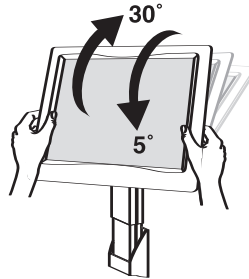

5" (130 mm) height range

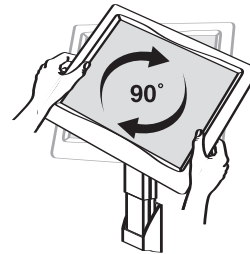

LCD pans right/left up to 70°*

LCD tilts forward/back up to 35°*

LCD rotates 90° portrait/landscape

* Depends on LCD size and mounting location.

Basic Specifications
