

ROCKETPORT[®]

MULTI-PORT SERIAL CARDS[®]
SMPTE

HIGHLIGHTS

- Works with RocketPort uPCI SMPTE Card
- Provides eight SMPTE 207M expansion ports
- DB9F connectors
- Convenient 1U rackmount design
- Rugged steel housing
- 13 ft. cable length

Part Number
99495-4

RocketPort uPCI 8-Port SMPTE Rackmount Interface

Flexible, reliable and high-speed multiport serial expansion

The RocketPort uPCI 8-Port SMPTE Rackmount Interface provides eight ports of serial connectivity when used with the RocketPort uPCI 8-Port SMPTE Card (99515-9). This SMPTE interface is designed to provide SMPTE expansion ports without the clutter and hassle of fan-out cables or multiple interface connectors. It can be stacked or rack mounted, providing a streamlined installation.

The RocketPort uPCI 8-Port SMPTE Rackmount Interface provides the equipment interface portion of an overall broadcast system, allowing interconnection of programmable and nonprogrammable control and accessory equipment. It allows rapid reconfiguration of a system utilizing up to eight pieces of equipment. In addition to easy configuration, the 8-Port SMPTE Rackmount Interface supports installation up to 13 feet away from the host PC for optimum flexibility.

The SMPTE (Society of Motion Picture and Television Engineers) connections comply with the ANSI/SMPTE 207M-1997 Television – Digital Control Interface – Electrical and Mechanical Characteristics Standard. The RocketPort SMPTE product family supports the SMPTE interface system used for the transfer of data and digital control signals. This system allows the connection of production, post-production and/or data transmission equipment, such as video routers, servers, tape decks, keyboards, dimmer racks, video monitors, headphones and broadcast mixing consoles. See back page for a network diagram.

SPECIFICATIONS

HARDWARE

Number of Ports	8
Connector Type	DB9F
Interface Dimensions (with mounting brackets)	19.0" x 1.7" x 1.7"
Cable Length	13' (160")
Compatible With	99515-9 RocketPort uPCI SMPTE 8-Port Card
Product Weight	2.75 lbs

EXPORT INFORMATION

Packaged Shipping Weight	3.80 lbs
Package Dimensions	21.63" x 6.75" x 3.5"
UPC Code	7-56727-99495-4
ECCN	EAR99
Schedule B Number	8471.80.1000

REGULATORY APPROVALS

(When used with RocketPort uPCI SMPTE Card)

Emissions

Canadian EMC Requirements
ICES-003
European Standard EN55022
FCC Part 15 Subpart B
Class B limit
AS/NZS CISPR 22

Immunity

European Standard EN55024
IEC 1000-4-2/EN61000-4-2: ESD
