"NET MEDIA CENTER" Insert

Door Latch

21" Net Media Center Box Assembly

21" Net Media Center Door Assembly

Features and Benefits:

- Designed with steel construction, white powder coated, lightweight and sturdy
- Designed to serve as the central distribution point for voice, data, video, audio, and security services for medium residential structured wiring systems
- Allows for internal modules to be mounted facilitating easier layout and wiring of the system, while providing for optimum cable management
- Integrated snap-in module system enables users to quickly insert or move the internal modules
- Includes 3 top, 2 bottom, 4 side, and 4 rear knockouts for routing cables and 16 cable tie points
- Includes a knockout for an optional AC power outlet (not included) to provide power distribution
- Fits between 16" wall studs with 14 internal module mounting spaces
- Designed with a door latch and an optional door lock knockout
- Hinged door and NET MEDIA CENTER insert are reversible for opening from left or right
- Accommodates all ICC residential modules
- Used with optional accessories including ICRDSDCAC2 distribution center grommets and ICRDSDC2LK distribution center door lock
- UL listed
