## 10 ft Gray Molded Category 6 Patch Cable - ETL Verified

StarTech ID: C6PATCH10GR

StarTech.com's Category 6 cables are the perfect way to connect your workspace's emerging gigabit networks. Category 6 cables improve upon the Category 5e specification by providing twice the available bandwidth (up to 250Mhz), and a signal-to-noise margin improvement that is sixteen times (12dB) better than that provided by Cat 5e.

<br />

All of StarTech.com's Cat 6 cables are constructed by our highly trained staff with only top quality components that ensure they meet StarTech.com's strict standards for reliability. Backed with a lifetime warranty, these cables help StarTech.com maintain our tradition of offering top-notch parts and products for the best price possible.

### Applications and Solutions

- > Connects workstation to wall outlet
- > Patches from hub to distribution panel
- > May be used with gigabyte networks

### Features

The StarTech.com

**Advantage:**

**Support and Resources:** Single point of contact for all your questions; exclusive online tools and free live technical support

**Save Time Sourcing:** A complete selection of high-demand and hard-to-find products from one vendor

**Best Value:** StarTech.com products offer the best combination of features and price
