12U Wall-Mount Pivoting Open Frame Rack

Highlights

- 12U wall-mount pivoting open frame
- Heavy duty steel frame
- Easy assembly

Description

Designed with provisions to integrate wall mounting, easy equipment access and cable management, SmartRack wall-mounted open frame cabinets are perfect for network equipment in IT environments with limited floor space. The open frame rack is a heavy duty open frame rack designed for secure, high density servers and networking applications in IT environments. A sturdy hinge between the frame and the wall-mount bracket allows the frame to swing away from the wall for easy access to equipment and cabling. Pivoting frame allows for easy access from all locations.

Features

- 12U wall-mount pivoting open frame
- Wall brackets for easy wall-mounting
- Hinged frame swings away from wall bracket for easy equipment and cable access
- Heavy duty steel construction
- Durable black textured powder coat finish
- Easy assembly
- 5 year warranty
